(SAN FRANCISCO, CA) The San Francisco Education Fund will highlight the work of outstanding teachers and students in San Francisco public schools at its fourth annual Spring Showcase. The Showcase will be held at the Masonic Center at 1111 California Street on Wednesday, May 11 from 5:00-7:00 p.m. Superintendent Arlene Ackerman and two teams of honored teachers are featured speakers at the event.

This annual event is a celebration and exhibition of innovative teaching and learning in public schools across San Francisco. We will recognize the work of 58 teams of teachers who were awarded the Ed Fund's prestigious Leadership and Professional Development Grants this year along with their collaborating partners and students. These grants, totaling \$315,000, emphasize teacher leadership and professional development as well as positive academic outcomes for students.

"This is a wonderful event that celebrates the creativity, innovation, and excellence of teachers and students in San Francisco public schools. We invite everyone to join us at this unique celebration," said the Ed Fund's Executive Director Hugh Vasquez.

San Francisco Education Fund (Ed Fund) is a nonprofit, community-based organization established in 1979 and is committed to helping San Francisco public school teachers provide the best possible education for their students.
